

COVID-19 Update

6/11/21

We are open, but our small lobby is closed to allow for social distancing. Please call or text if you need assistance and we will be happy to help.

Curbside Services: We are still managing prescription medication/diet refills and most wellness services via curbside service. Please call or text us at 919.563.9663 (WOOF) when you've arrived and we will provide instructions. Please request refills at least 48 hours in advance to accommodate recent shipping delays.

In-Clinic Services: We are seeing sick patients, quality-of-life consultations, puppy/kitten visits, and new client first-visits in the clinic. Please call or text us at 919.563.9663 (WOOF) when you've arrived and we will provide instructions. Our staff will wear masks when we interact with you, and we ask that you do the same.
